

## Unsworth Sparkling Brut

To complement our limited production, island grown Unsworth Charmé De L'île, we produce Unsworth Sparkling Brut by the same Charmat Method, selectively choosing grapes from other BC wine regions.

### TASTING NOTES

#### Tasting Notes:

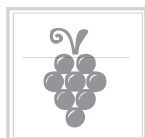

Flavors of fresh peach, honeysuckle and sweet lemons with a touch of ginger and a dry finish. This wine finishes clean with a round texture. Unsworth Vineyards Sparkling is ready to be enjoyed, whatever occasion with lively company.

### TERROIR

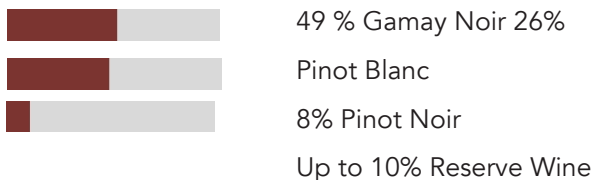

#### Terrior:

British Columbia's grape growing regions are diverse. From the sandy, desert soils of the Okanagan, to the fertile Fraser Valley to the sedimentary soils of Vancouver Island and all of the exceptions in between. However several characteristics bind the regions together to create a distinct BC sense of place including the high latitude, cool-climate and striking mountains that provide protection from rains.
