

Pinot Gris Saison Vineyard 2019

Elegant and traditional Pinot Gris style,
Cowichan Valley expression.

TASTING NOTES

Bright, fresh pear, green apple and citrus with delicate notes of fennel and herbs with distinctively pronounced Vancouver Island minerality.

Regional Terroir

Vancouver Island soils are a complex story of volcanic origin layered with marine sediments and gravel carved and deposited by glaciers. Today, clay-loam soils lay on top of this gravelly base.

Between the 48th and 50th parallel with strong oceanic influence, grape growing on the islands is marked by its long sunshine hours and cool climate.

Despite notoriously wet winters, summers are dry and droughts are not infrequent but temperatures typically stay below 30 degrees Celsius.

All of the above combine to create one of Canada's most beautiful and unique wine regions.
