Unsworth Vineyards Sparkling Brut NV

British Columbia, Canada

This is the second charmat-method line of wines from Unsworth, the first being their island-centric Charme de l'Isle. This blends gamay, pinot blanc, and pinot noir from the Okanagan, Fraser Valley, and Vancouver Island into a drier, slightly more structured sparkler than the Charme. This also has 10% reserve wines added, and was dosed with 7 g/L RS. Dried apple, yellow apple, pear brioche is bedded with a pad of lees, and finishes with an apple cider note. Canapés apropos.
